VII. General Discussion

Cathy Murphy inquired with Ed McKenna and councilman Plecnik whether a decision regarding who will be Willoughby Hills NAC representative. A short discussion took place regarding the situation Cathy Murphy asked that the council hopes an agreement can be reached by the next meeting.

Ed McKenna asked if operators register their nighttime operations, Dan DiGiammarino explained to him that airport tenants do advise staff in advance of their operation.

Ed McKenna also asked if the map as described in the NBAA identifying noise sensitive areas in the area. A discussion regarding the updating the map of schools, hospitals and churches if one exist.

John Plecnik asked if the decline in traffic numbers were in relation to closures of the airport or if there is another reason for the decline in numbers. A discussion regarding the issue to place with the majority agreeing that airport closures were the main factor for the decline.

Kathy Murphy asked Dan DiGiammarino if there was any update on airport construction, Dan DiGiammarino reported Project #1 is now complete. The airport has now received funding for Project #2 and the EMAS and with construction to take place 2017. Dan DiGiammarino also addressed a question from Mr. McKenna regarding obstructions, Mr. DiGiammarino advised the council that an obstruction study will be completed to identify items that may need mitigation.

Mayor Roche question regarding a web site specific to the airport, to provide updates and airport specific information. A discussion regarding the creation of a site, Kathy Murphy advised the group she will work with Dan DiGiammarino to get the request to the county and Councilwoman Simmon.

Dan DiGiammarino advised the group that he had received word from legal they hope to have the Draft Joint Statement returned later in the day.

VIII. Public Comment

Cathy Murphy opened the floor to public comments,

Howard Walek, Richmond Heights resident, addressed the council and asked regarding the altitude and the size of the aircraft operation at the airport. It seems that the planes are lower and larger and asked if there were any changes. Scott Huth advised him that there have been no changes to the approach to the runway. Mr. Huth also described the low altitude alert system that is used to insure aircraft are maintaining the correct approach.

DEPARTMENT OF PUBLIC WORKS

Nancy Farina, Public Works, advised the group that John Meyers was unable to attend the meeting however wanted the council to know the Joint Statement was being reviewed by legal and that he has offering his assistance as well as county Law Department's help in helping determining representation and other legal matter pertaining to the NAC.

Mayor Robert Weger of Willoughby Hills, asked if an aircraft was to enter the EMAS material and caused would the airport be required to close the airport because of the damaged blocks. Dan DiGiammarino and Scott Huth advise the mayor that the runway would not need to be closed because of the damaged EMAS but a NOTAM would be required to advise operators of the condition.
