<tr>
<td>112</td>
<td>Additional Allowance</td>
<td>1</td>
<td>L.S.</td>
</tr>
</tbody>
</table>
On page MP-8 to MP-10, delete MP-16 to MP-18 and replace with the following:

**MP-16**  **MANHOLE REHABILITATION. (BID ITEM 50 – 51 & 110)**

A. General

The manhole rehabilitation is the process installing ultra-high strength coating on the inside manhole walls to the bottom invert of the lowest pipe to be measured for payment under this item shall include all traffic control, labor, tools, equipment and materials, dewatering and/or bypass pumping, internal grouting to stop infiltration as necessary for the manhole rehabilitation as directed by the ENGINEER and required in the Contract Documents. Bidder shall refer to the specification for other requirements to develop his unit bid price, including but not limited to all submittals pertaining to the Work, pre-site visits, any prep work or minor repairs of the manhole, surface preparation, field demonstrations and testing, cleaning and preparatory work on the manhole, disposal of debris, site cleanup and any all incidental work in accordance with Construction Documents. Any mobilization cost shall be included in this bid item.

B. Payment

The unit sum price stipulated for this Item shall be per vertical foot of the manhole rehabilitation as specified in the specifications.

**MP-17**  **EXTERNAL MANHOLE GROUTING SETUP. (BID ITEM 52 – 53 & 111)**

B. General

The external manhole grouting is the process of pumping grout on the out side of the manhole to be measured for payment under this item shall include all traffic control, labor, tools, equipment and materials, dewatering and/or bypass pumping, grouting all voids outside the manhole as necessary. Bidder shall refer to the specification for other requirements to develop his unit bid price, including but not limited to all submittals pertaining to the Work, pre-site visits, any prep work, disposal of debris, site cleanup and all incidental work in accordance with Construction Documents. The cost of drilling these relief holes and filling any voids outside the manhole shall be included in the cost of the external manhole grouting setup items. The cost for the grout will paid under the grout item. Any mobilization for the grouting work only, cost shall be included in this bid item.

B. Payment

The unit sum price stipulated for this Item shall be per each of the external manhole grouting setup as specified in the specifications. The grouting material to stop infiltration will be paid under Item 49 or 109.
MP-18  **PRE-CONSTRUCTION VIDEO AS DIRECTED BY THE ENGINEER (BID ITEM 54)**

A. General

The unit sum price stipulated for this Item shall be per each for each Task Order shall be in full compensation for furnishing all labor, equipment and material necessary to perform the pre-construction video as requested by the Engineer (minimum of 500 LF of adequately document the pre-existing conditions within the R/W) per Task Order area including but not limited to the alignments of new or rehab sewers, structures, pavement, driveways, sidewalks, trees, and landscaping. This item is to be used on larger projects of higher complexity and scope and deemed necessary by the Engineer.

B. Payment

The unit sum price stipulated for this Item shall be per each for each Task Order.

MP-19  **ADDITIONAL ALLOWANCE (BID ITEMS 55 & 112)**

A. General

The additional allowance is included for: when in the prosecution of any work, or at the direction of the Engineer, it becomes necessary to make alterations or modifications for work or conditions unforeseen in which bid items cannot be applied or approximate bid quantities are exceeded. Work performed under this item shall meet with the requirements as set forth in the ODOT specifications section 109.05 and documented according to standards as set forth within ODOT specifications.

B. Payment

The lump sum price stipulated on the bid form for this item shall be added to the Contractor’s TOTAL AMOUNT OF BID. Additional allowance shall only be used at the direction and approval of the Engineer.

END OF SECTION
ADDENDUM No. 1

Date: 2/5/2018
Requisition No. 41694
Due Date: 2/20/2018
Time: 2:00PM
